

30th November 2021

Dear Parents,

We have arranged to give our Year 6 children the opportunity to take part in a residential activity with Bushcraft Company in Boughton, Northamptonshire from Wednesday 8th June to Friday 10th June 2022 (2 nights).

It is well known that residential courses organised by schools are becoming increasingly invaluable as part of the National Curriculum. Learning outside the classroom offers new and exciting challenges, children will learn to work together as a team, develop independence, confidence and an ability to recognise strengths and weaknesses in a constructive way. The value of giving children the opportunity to try out new activities cannot be underestimated.

At Bushcraft, fully trained and qualified instructors, with the support of school staff, provide instruction in a full programme of activities in a safe, controlled and secure environment.

The total cost of the visit is **£125.00 per child + transport (this will depend on the number of children going)** and includes full board accommodation, all instruction and activities (including safety equipment), an evening activities programme and comprehensive insurance. This is a fantastic price for the time of the year we will be going.

The centre holds a halal license and the children will be able to perform salah appropriately. Girls and boys have separate sleeping areas.

To secure your child's place, please complete the consent form below, we will require a non-refundable deposit of **£30 to be paid by Friday 14th January 2022**. Once we know how many children would like to go, we will communicate further with the added cost of transport, we do not expect the full cost to be paid in one go – this can be done in installments.

For further information about the trip, the activities, the centre etc. please check the website: - **<https://www.thebushcraftcompany.com/centres/boughton-woods>** and you will be able to see for yourself how worthwhile and enjoyable these visits are!

Yours sincerely
