Dear Parents and Carers,

**Launch of our new website [www.transform-trust.co.uk](http://www.transform-trust.co.uk)**

We are delighted to announce the launch of our new Transform Trust website designed especially for our Transform families and schools. In addition to the home learning provided by your child's school, we are providing exciting learning resources and fun challenges that your child may choose to access with their peers in Transform Trust.

Alongside the enriched curriculum activities, you will find signposts to parent support in Nottingham and Derby including: 'How to...' learning videos, Free School Meal provision, Foodbanks, E- Safety resources and much more.

With so much to celebrate, we will share messages from our Children's Parliament and pupil celebrations from across Transform Trust including our recent Christmas Celebration video. The website will also enable you to share news of your child's achievements with our Trust community. You can access the website at [www.transform-trust.co.uk](http://www.transform-trust.co.uk)

Over Christmas, we hope you will enjoy exploring some of our new learning resources and activities together. We wish you all a safe and Happy Christmas.

Yours sincerely,

**Kelly Lee**
