

29<sup>th</sup> March 2021

Dear parents and carers,

As-Salaamu-Alaykum and a very happy Monday to you all.

The sun is shining and there are only four days left of school before a much needed Easter break. What a term!

I am delighted to share with you our letter from Ofsted following our inspection on Thursday 25<sup>th</sup> February 2021.

You'll see that Ofsted state that:

**'Leaders and those responsible for governance are taking effective action to provide education in the current circumstances.'**

This is a massive moment for us as a school as it's a clear acknowledgment, by the Office for Standards in Education, of the successes that we are having.

When I joined as Headteacher, I made a commitment to you that we would become a school of excellence and I'm absolutely thrilled that in less than two years, we are making huge steps towards achieving this and that this progress is being recognised.

I'm proud of our staff team and the love, drive and energy that they put into their jobs. I'm proud of the relationships that we have formed between home and school and the support that we feel from every parent and carer. But mostly, I'm proud of our wonderful children who are simply the best!

This achievement is remarkable in itself, but knowing that the Zaytouna Family have managed to do this during a Global Pandemic makes the celebration that bit more special. I truly hope that you all see your part in this.

Ofsted say that, **'Leaders are ambitious for all pupils to achieve highly and be equipped as future citizens.'** This makes me smile as it summaries exactly what we're about. Perhaps we should get this quote written on our wall!

Let's take a moment to celebrate this wonderful news and then come back on Monday 19<sup>th</sup> April ready to crack on again. #DoingThingsDifferently

Your very proud Headteacher,

Miss Storer
