

30th August 2021

So it seems that internet signal is not good when camping. Apologies for the lack of posts... you're going to get four in one day now... what a treat!

Here it comes...

Day 10 – school uniform

Our school uniform is important as it unites us and is one way that we show we're a team...think about your favourite sports' team all wearing their kit with pride.

In the photo, you'll see the agreed school uniform. This has remained unchanged for the last two years. However, I've made a couple of additions to the PE kit to keep things simple...you know how much I love a) simple and b) PE.

- 1.Children can wear a plain white short or long sleeved t-shirt for PE. This does not need to have the school log on.
- 2.Children can wear black shorts for PE. These do not need to have the school logo on.

Our school logo items are available from Morley's. All other items are available for a good price from supermarkets or high street shops.

At Zaytouna, we strive for excellence in all that we do. Our school uniform is one way that we achieve this and so it is important that all children come to school in the agreed uniform.

Any questions, then please call the school office Tuesday-Friday this week between 8am-4pm.

Much love

Miss Storer
