

Day 8 - school dinners 🍴

All children in EYFS, Y1 and Y2 are entitled to free school dinners.

Free school dinners are also available to children in KS2 who meet certain criteria (it's definitely worth ringing the school office to check whether this applies to your child).

The cost of certain ingredients has increased over time but we have absorbed these costs rather than increasing prices.

We have not increased prices for 3 years.

However, this absorption of costs is not sustainable and as such, the cost of school meals will be increasing this year by 10p. This makes them £2.20. This is still less than lots of schools charge.

I know that you'll agree that this is a fair and reasonable amount for a good-sized, nutritious, warm meal.

A reminder that school dinners are paid for via Parent Pay.

Any questions, then please call the school office Tuesday-Friday this week between 8am and 4pm.

Polite request - please do not post questions / comments on this app as we won't be able to respond to them.

One more post to go today 😊

Much love,
Miss Storer 🍷
