

July 2021

Your Child Is Entitled To Receive Milk at School

If your child is joining school in September they will be entitled to free or subsidised milk, depending on their age.

Whilst your child is under the age of 5, they are entitled to receive milk completely **free of charge** under the UK Government's Nursery Milk Scheme.

When your child turns 5 or if they are already over 5 you will need to pay for milk if you would like your child to receive this. We have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a **subsidised**. Milk for your child can only be purchased through this scheme – it is not possible for you to supply your own milk to your child.

What you need to do:

If your child is **under the age of 5** at the start of term, school will register your child for free milk automatically. We will provide Cool Milk with your child's name and date of birth as part of the registration process.

Should you wish to opt out of this automatic registration, please contact the school office.

When your child turns 5, or if they are already **over the age of 5**, you will need to pay for their milk directly through Cool Milk.

Please follow the registration process below to continue milk provision after your child's 5th birthday.

- ✓ Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay

OR

- ✓ Ask the school office for a registration form - send your completed form to Cool Milk, and they will send you a payment request.

*If your child is over 5 and entitled to **benefit-based free school meals**, school will fund the cost of their milk on your behalf. Please contact the school office if you think you may be eligible.*
